

**Thank you for your CruzTOOLS® purchase!** We take great pride in producing quality tool kits that are absolutely dependable. **If you have a warranty issue, contact us directly and we'll promptly take care of it.** Your continued satisfaction is *very* important to us. Below are selected product notes – if your questions aren't answered, please don't hesitate to contact us.

### Motorcyclists

- If your kit contains a forged spark plug socket, use the adjustable wrench as a breaker bar. The adjustable wrench can also be used on many axle nuts, odd fastener sizes, and to counter-hold a nut/bolt combination.
- There is additional information on spark plug sockets at [www.cruztools.com/products/sparkplugs.html](http://www.cruztools.com/products/sparkplugs.html).
- All kits ship in a poly bag. If possible, store in the bag to keep wetness out – even the best tools will rust when moisture persists. If tools do get wet, take everything out of the pouch to air dry as soon as possible. When the original plastic bag that ships with the kit wears out, replace with a freezer-grade resealable bag.
- The 6-in-1 screwdriver provides, in addition to four screwdriver tips, two nut driver sizes – 1/4" and 5/16".

### Musicians

- There's an Easy Setup Guide in the compartment behind the tools. Before doing your first setup, allow yourself time to read and understand the process.
- Tool kits include both inch (fractional) and metric size hex keys. To make identification easier, black keys are inch and gold are metric.

# LIMITED WARRANTY AND DISCLAIMERS

Hand tools are lifetime warranted against defects in workmanship when used under normal conditions. The remainder of kit contents and other products carry a one year warranty from CruzTOOLS. In the unlikely event that any CruzTOOLS item breaks or becomes unusable, simply contact us for a replacement.

This warranty does not apply if the product being returned has been damaged by misuse, accident, modification or unauthorized repair. The warranty is not transferable to subsequent owners.

Contents of CruzTOOLS kits should be used only for their intended applications. Use of tools and emergency items require proper care and safety precautions, including eye protection. Roadside repairs may involve especially dangerous conditions; use special caution under these circumstances.

CRUZTOOLS EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESSED OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL CRUZTOOLS BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES FOR THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY, EVEN IF CRUZTOOLS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF THIS WARRANTY IS FOUND TO FAIL ITS ESSENTIAL PURPOSE.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.
